1. The above results have been reviewed by the Audit Committee and approved by the Board of Directors of the Company at its meeting held on 31.07.2015.
2. Value of Green Leaf produced in the Company's own tea estates is not ascertainable. However, consumption of raw materials represents only cost of green leaf purchased from third party.
3. Stock of bulk tea as on 30th june,2015 has been valued at lower of estimated cost of production (based on estimated production and expenditure for the financial year) and net realisable value. Production of tea not being uniform through the year, stock - valuation will be unrealistic if it is based on actual production and expenditure up to 30th june,2015. The effect of any variance from actual cost applicable to total valuation is not readily ascertainable. The aforesaid method of stock valuation is consistent with the accounting policy of the Company for the purpose of determining quarterly results.

5. Provision for Taxation including Deferred Tax Liability, if any, will be made at the year end.
6. The Company has only one business segment of manufacture and sale of black tea.
7. Previous year's figures have been regrouped / rearranged wherever necessary, to make it comparable.

We have reviewed the accompanying statement of unaudited financial results of **B&A Limited** for the period ended 1<sup>st</sup> April 2015 to 30<sup>th</sup> June 2015, except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding', which have been traced from disclosures made by the management and have not been audited by us. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors/ Committee of Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2400, engagements to Review Financial Statements issued by the Institute of Chartered Accountants of India.
