Review Report to  
The Board of Directors  
B&A Limited  
Indu Bhavan  
Mahatma Gandhi Road  
Jorhat 785001  
Assam

We have reviewed the accompanying statement of unaudited financial results of **B&A Limited** for the period ended 1 April 2016 to 30 September 2016. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors/Committee of Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

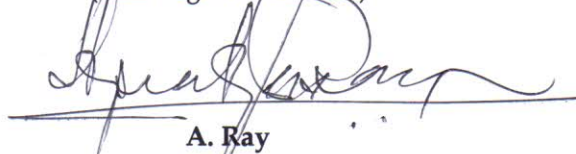

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2400, *Engagements to Review Financial Statements* issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes:

1. The above results have been reviewed by the Audit Committee and approved by the Board of Directors of the Company at its meeting held on 14.11.2016.
2. Value of Green Leaf produced in the Company's own tea estates is not ascertainable. However, consumption of raw materials represents only cost of green leaf purchased from third party.
3. Stock of bulk tea as on 30th September, 2016 has been valued at lower of estimated cost of production (based on estimated production and expenditure for the financial year) and net realisable value. Production of tea not being uniform through the year, stock - valuation will be unrealistic if it is based on actual production and expenditure up to 30th September, 2016. The effect of any variance from actual cost applicable to total valuation is not readily ascertainable. The aforesaid method of stock valuation is consistent with the accounting policy of the Company for the purpose of determining quarterly results.
4. The Company is engaged in the business of cultivation, production and sale of black tea which is seasonal in nature and as such the above results for six months ended 30.09.2016 are not indicative of the results for full financial year.
5. The Company has only one business segment of manufacture and sale of black tea.
6. Provision for Taxation including Deferred Tax Liability, if any, will be made at the year end.
7. Previous year's figures have been regrouped / rearranged wherever necessary, to make it comparable.
