EXPLANATORY STATEMENT PURSUANT TO SECTION 102 (1) OF THE COMPANIES ACT' 2013

The following Statement sets out the material facts relating to the Special business mentioned in the Notice:

Item No. 5

The Members of the Company in the Annual General Meeting of the Company held on 29th September 2015 approved the appointment of Mr. Anjan Ghosh (DIN 00655014) as an Independent Director on the Board of the Company (hereinafter the Board) for an initial term of five consecutive years to hold office upto 31st March 2020.

In terms of section 149 and Schedule IV of the Companies Act' 2013 (hereinafter the Act') read with Regulation 25 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter the SEBI (LODR), an independent director shall hold office for an initial term of five consecutive years but shall be eligible for re-appointment on passing a Special Resolution by the Members of the Company. Accordingly, on passing Special Resolution by the Members of the Company the above mentioned Director would stand eligible for re-appointment as Independent Director on the Board for a 2nd term of five consecutive years on expiry of his existing tenure of Directorship as mentioned above. Further, in terms of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, consent of the Members by way of Special Resolution is also required for continuation of the office of a Non-Executive Director on his attaining the age of seventy five years with effect from 1st April 2019. Mr. Anjan Ghosh will be attaining the age of seventy five years on 15th July 2024 as Non-Executive Director on the Board if re-appointed by the Members for a 2nd term of five consecutive years.

The Company has received notice in writing from a Member of the Company under Section 160 of the Act, proposing candidatures of Mr. Anjan Ghosh for the office of Director of the Company.

Prior to joining this Directorate, Mr. Anjan Ghosh served J. Thomas & Company a professionally

managed business house where he reached the highest echelon of the corporate structure and was elevated to the position of Vice-Chairman and Managing Director. As a member of the Board, Mr. Ghosh has been effectively advising the management on issues of strategy, performance, risk management and deployment of resources in the Company. The Company had received expert guidance from Mr. Ghosh on issues relating to financial management and banking solutions. Mr. Ghosh has been profound adherent of good corporate governance and has been practicing as such across the Board and Committees of listed companies where he is a Director. As a Chairman of the Audit Committee he has remained a keen contributory in reviewing Company's financial reporting process and financial statements. As a highly involved company director he has brought appropriate clarification or amplification of information on certain topics which were vital and delicate to the Company.

In terms of what has been stated in para 4 above, the Board is of the view that continued association Mr. Anjan Ghosh would be beneficial for future development and business prospect of the Company. Besides, given the knowledge, experience and performance of the aforesaid Director and contribution to Board processes by him, it would be appropriate that he may continue to serve on the Board as an Independent Director for a 2nd term of five consecutive years to hold office from 1st April 2020 to 31st March 2025.

Accordingly, in compliance with the applicable provisions of the Act' and relevant rules and regulations framed thereunder and SEBI (LODR) the Board at its meeting held on 25th May 2019, recommended for the approval of the Members in this Annual General Meeting (hereinafter 'the AGM') for the re-appointment of Mr. Anjan Ghosh with effect from 1st April 2020 for a 2nd term of five consecutive years and to hold office as non-executive Independent Director on attaining the age of 75 years till completion of his term of Directorship i.e. upto 31st March 2025.

Company has received declaration from Mr. Anjan Ghosh that he meets the criteria of Independence

prescribed under Section 149 and Schedule IV of the Act read with the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 16 of the SEBI (LODR).

In the opinion of the Board, the Mr. Anjan Ghosh fulfills the conditions specified in the Act, the Rules thereunder and the SEBI (LODR) for re-appointment as Independent Director and that he is independent of the management of the Company.

Item No. 6

In accordance with the provisions of Section 149 and Schedule IV of the Act' read with Regulation 25 of SEBI (LODR) appointment of an Independent Director requires approval of the Shareholders. Based on the recommendations made by the Nomination and Remuneration Committee of Directors (hereinafter the Committee), the Board in its meeting held on 25th May 2019 has proposed that Mr. Basant Kumar Goswami (DIN 00003782) who holds office of Independent Director in B&A Ltd, the holding company, be appointed as an Independent Director on the Board of the Company. The appointment of Mr. Goswami shall be effective upon approval by the members in the AGM.

Further in terms of Regulation 17(1A) of SEBI (LODR) consent of the shareholders by way of special resolution is also required to appoint a non-executive director who has attained the age of seventy five years. Mr. Basant Kumar Goswami has attained the age of seventy five years on 28th January 2010.

The Company has received notice in writing from a Member of the Company under Section 160 of

the Act, proposing candidatures of Mr. Basant Kumar Goswami, for the office of Director of the Company.

Mr. B.K. Goswami, a retired I.A.S. officer, held very senior positions in the Government of India prior to joining the Directorate of the holding company. He remained Chairman of the Tea Board of India and was deputed to Australia for tea promotion in South Asia Pacific Region. He also remained a Secretary, Tourism, Government of India. As a member of the Board of the holding company, Mr. Goswami has been effectively advising the management in issues of strategy, performance, risk management and deployment of resources in the tea gardens of the Company. The group had received expert guidance from Mr. Goswami in its tourism ventures. Mr. Goswami has been profound adherent of good corporate governance and has been practicing as such across the Board and Committees of several reputed listed companies where he is a Director. As a member of the Audit Committee and Nomination and Remuneration Committee of Directors of the holding company, he had effectively advised the management in issues of providing accurate operational and financial information, ensuring compliance with statutory provisions and corporate policies, review of management performance and key appointments. As a highly involved company director he has been providing appropriate clarifications or amplification of information on certain issues which are vital and delicate to the holding company.

In terms of what has been stated in para 4 above, the Committee and the Board are of the view that association Mr. Basant Kumar Goswami as Independent Director on the Board of the Company would be beneficial for future development and business prospect of the Company. Besides, given the knowledge, experience and expertise of the aforesaid Director it would be appropriate that he may be appointed as Independent Director on the Board of the Company upon approval by the members in the AGM for a term upto 31st March 2024 and hold office as non-executive Independent Director on his attaining the age of 75 years till completion of his term of Directorship.

The Company has received declarations from Mr. Basant Kumar Goswami, that he meets the criteria of Independence prescribed under Section 149 and Schedule IV of the Act read with the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 16 of the SEBI (LODR).

In the opinion of the Board, the aforesaid Director fulfills the conditions specified in the Act, the Rules framed thereunder and the SEBI (LODR) for appointment as Independent Director on the Board and that he is independent of the management of the Company.

Additional information pursuant to the SEBI (LODR) and the Secretarial Standard on General Meetings in respect of Mr. Basant Kumar Goswami is appended in the notice of the AGM.

None of the other Directors and Key Managerial Personnel of the Company, or their relatives, other than Mr. Goswami, is interested or concerned in the Special Resolution.

The Board recommends the Special Resolution set out in the Item No. 6 of the Notice of the AGM for approval by the members.

PERFORMANCE AND OPERATIONS

Your Company produces high quality paper sacks and flexible laminates in its two manufacturing division located at Balasore, Odisha. The Company has established itself as a premium manufacturer of quality sacks and flexible laminates and its products have found wide acceptability in the Indian market. The sacks division serves the packaging needs of sectors like tea, carbon black, cement, food and agricultural products, rubber, chemicals, refractories etc. The key users of the flexible laminates are fresh and frozen foods, beverages, pharmaceuticals, snacks and confectioneries, dairy products, to name a few.

The guiding vectors of the Company's business strategy are:

- Improvement in its products to create value added differentiation
- Ability and agility to cater needs of various industries
- Ability to offer end-to-end solutions across paper and flexible packaging spectrum
- Ability to execute higher quanta of orders and ensuring timely deliveries anywhere across India.

During the year under review your Company was able to maintain overall growth in terms of sales and

profitability despite entry of foreign multinationals in the Indian market, fierce competition from the domestic manufacturers, market supply side pressure of key input materials, price fluctuations of imported materials and multiple increases in wages cost.

Paper Sacks

The paper sacks division recorded gross sales of Rs. 5079.79 lac (previous year Rs. 4868.39 lac) during the financial year ended 31st March 2019; the augmented growth was perceived in the tea and chemical sector. Operating cost in the paper sacks division increased due to increase in volume and cost of procurement of paper, labor and consumables. Irrespective of cost escalation paper sacks unit recorded a profit of Rs. 816.04 lac (previous year Rs. 789.21 lac) due to favorable price variance and superior product mix.

Flexible Laminates

The flexible laminates division recorded gross sales of Rs. 2088.23 lac (previous year Rs. 2069.43 lac) during the financial year ended 31st March 2019. Despite sharp increase in consumption and labour cost the division recorded a profit of Rs. 87.71 lac (previous year Rs. 122.52 lac).

The Company's modernization programs in its plant have benefitted in improving productivity and quality of its products on long-term basis. The Company has been accredited with British Retail Consortium (BRC: Iop) which is acknowledged as a global benchmark for food safety, for its facilities at Balasore factory besides ISO accreditations.

INDUSTRY DEVELOPMENTS AND COMPANY OUTLOOK

The packaging industry plays a vital role, adding value to various manufacturing sectors including agriculture, pharma, chemical, retail, FMCG, etc. The Indian market has been growing due to solid demand from food and pharma industries. The paper packaging contributes more than 30% to overall packaging market share and dominates other packaging domains. Demand for sustainable packaging, made of paper, jute and cloth is increasing around the country. Flexible packaging is used heavily for packaging owing to its innovative visual appeal for customer attraction and convenience.

Eventually with changing consumer preferences, the packaging industry has faced numerous challenges

but by adopting various upgraded technologies, the industry is now in the firm runway. Further, drop in crude oil prices worldwide, will benefit the flexible packaging industry as its inputs are derived from petroleum refining products. It will be heartening to note that the Indian packaging industry has registered a growth of 13% CAGR in the last five years and with rapid growth in the Indian e-commerce sector the industry is further poised for robust growth. Per capita packaging consumption in India is quite low compared to developed countries, which signify ample room for growth of the industry.

Your Company has the technical ability and innovative skills to engineer packaging solutions which has resulted increase in its market share over the years. The Company has fully automated machines and boasts of a team of highly technical and self-motivated professionals. The Company also house well-equipped laboratories with modern and computerized equipment, which are continuously engaged in upgrading the products to cater to the needs of the market. The Company directs all its efforts to benchmark itself against global standards and be in alignment with international needs, world-class standards of quality, service and cost. The Company is continuously making endeavors on achieving its goals by listening to the changing demands of the customers and to satisfy their expectations in a timely, cost-effective and value-added manner. The Company has received number of awards in different categories.

Your Company anticipates stable demand for its products in the coming years on the basis of what has been discussed above and will thrive for better performance by increasing its market share barring unforeseen events. The Company has undertaken several modernization programs in its plant in the last few years. However, its long-term plan to upgrade the factory to meet the international standards is poised for availability of funds at competitive rates.

OPPORTUNITIES, RISKS AND CONCERNS

Opportunities

The packaging industry, which employs about 5 million people directly and three times more indirectly, will continue to grow due to changing demographics such as growing urbanization and rising proportion of middle class consumers. Organized retail and e-commerce boom, which offer huge potential for

future growth of retailing, will continue to support the packaging industry. The increased presence of global multinational companies, consumer brand awareness and products with 'clean-label' messaging will augur well for the industry. While growth in bio-degradable paper based packaging is expected due to increased usage in Food, Beverages and FMCG sector, the flexible packaging would find its growth for its enhanced functionality, improved aesthetics and wide acceptance across various sectors due to low carbon foot print as compared to rigid plastics.

The food safety and packaging norms are getting stricter and this is expected to promote use of good quality packaging materials. Also the affordability, smaller urbanized household and size and time compression are expected to give way to the packaged food category. Further, the Government's aim to make India a global manufacturing hub will have a positive impact on growth of packaging industry.

Risks and Concerns

Majority of the raw materials used by the flexible packaging industry are crude based. The Government has very little or no control over prices of crude and crude derivatives. This has led to wide price variations in the key items of input materials. Further massive deforestation has led to shortage in supply of good quality papers, which is a major concern to the paper based packaging.

The prospects for packaging sector depend on growth of industries such as food processing, pharmaceuticals, retail and e-commerce. While scope for growth for packaging companies catering to these industries is humongous, the Government and industry need to frame and abide by better manufacturing processes and quality standards. This is essential to reduce huge rejections faced by Indian food products (especially) in developed countries.

Further lack of capital at globally competitive rates to augment new technologies is a major challenge before Indian packaging industry.

RISK MANAGEMENT

Your Directors have formulated Risk Management Policy and appointed a Risk cell comprising of executives from senior management team. All potential and material risks faced by the Company

with regards to its packaging business are identified and assessed on continuous basis by the Risk Cell. For each area of the risks identified, necessary controls are exercised and procedures are put in place for monitoring, mitigating all such risks and reporting the same to Audit Committee on periodic basis. The Risk Management Policy and the constitution of risk cell are available in the company's website at <http://www.bampl.com/policy.html>.

DETAILS OF SIGNIFICANT CHANGES IN KEY FINANCIAL RATIOS

As on 31st March 2019, there was no significant change i.e. change of 25% or more as compared to previous financial year, in the key financial ratios of the Company.

As on 31st March 2019 the Return on net worth of the Company was 16.68% compared to 19.51% as on 31st March 2018.

DIVIDEND

The Board of Directors (hereinafter the Board) has recommended a final dividend of 5% i.e. Re. 0.50 per equity shares of Rs. 10 each in the Company for the financial year 2018-19. The distribution of dividend will result in payout of Rs. 24.80 lac excluding tax on dividend if approved by the shareholder in the ensuing Annual General Meeting.

UNCLAIMED DIVIDEND

Section 124 of the Companies Act' 2013 (hereinafter the Act') mandates that companies should transfer dividends to Investor Education and Protection Fund (IEPF) that have remained unclaimed for a period of 7 (seven) years by the shareholders. In accordance with the schedule the dividends for the years mentioned below, if remain unclaimed for a period upto seven years will be transferred to IEPF.

Year	Date of Declaration	Due date for transfer to IEPF
2013-14	17th September 2014	25th October 2021
2014-15	29th September 2015	6th November 2022

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of B & A Packaging India Limited (“the Company”), which comprise the Balance Sheet as at 31st March, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2019, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with the aforesaid requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Revenue recognition

The accuracy of recognition, measurement, disclosure and presentation of revenues accrued or deemed to have accrued during the year in accordance with the principles laid down in Ind AS 115

Principal audit procedures

The principal audit procedures performed by us comprise:

- (a) obtaining an understanding of the Company’s internal procedures to identify the stage at which the risk and reward in the goods are transferred to the Company’s customers and significant control over the goods ceases to remain with the Company;
- (b) assessing the extent and quality of controls embedded in those procedures, and
- (c) testing a representative sample of transactions to ensure that revenue has not been recognised until the the risk and reward in the goods and significant control over them has passed from the Company to its customers.

Information Other than the Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the preparation of the other information. The

other information comprises the information included in the Director's Report and Annexures thereto, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the aforesaid other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If in doing so, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management

is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the

Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that

were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended).
 - e) On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is

disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as

amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
- ii. The Company did not have any long-term contracts, including derivative contracts, for which there were any material foreseeable losses, and
- iii. There were no amounts, which were required to be transferred to the Investor Education and Protection Fund by the Company during the year under audit.

Annexure “B” To The Independent Auditor’s Report Dated 25th May, 2019

(Referred to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of B & A Packaging India Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause(i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **B & A Packaging India Limited** (“the Company”) as on 31st March, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section

143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide

reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are

subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Background of the Company

B & A Packaging India Limited a public limited company established in the year 1986, is mainly engaged in manufacturing and selling activities of quality Paper-sack and Flexi-pack. The Company is an ongoing company having its manufacturing unit at Balasore (Odisha) and two branches at Jorhat and Mettupalayam.

Note 1 – Significant Accounting Policies

1.1. Statement of Compliance

These financial statements comply, in all material aspects, with Indian Accounting Standards (Ind ASs) notified under Section 133 of the Companies Act, 2013 (the “Act”). The financial statements have been prepared in accordance with the relevant presentational requirements of the Companies Act, 2013.

Basis of Preparation

These financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to the periods presented in the financial statements.

The financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention, except defined employee retirement benefit obligations which have been measured at fair value.

All assets and liabilities have been classified as current and non-current as per the Company’s normal operating cycle and other criteria as set out in Division II of Schedule III to the Companies Act, 2013. For the purpose of this classification, the Company has ascertained that the time between acquisition of assets for processing and their realisation in cash and cash equivalents does not exceed 12 months.

1.2. Property, Plant & Equipment

Property, plant & equipment is stated at historical cost net of accumulated depreciation and accumulated impairment loss, if any. Historical cost includes expenditure that are directly attributable to the acquisition of the items, including borrowing costs in case of qualifying assets. Subsequent costs are included in the asset’s carrying amount or recognised as a

separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other expenses for repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred.

Gains or losses arising on retirement or disposal of property, plant and equipment are recognised in the Statement of Profit and Loss.

Property, plant & equipment which are not ready for their intended use as on the date of Balance Sheet are disclosed as “Capital Work-in-Progress”.

Depreciation is provided under straight line method based on estimated useful life prescribed under Schedule II to the Companies Act, 2013.

Leasehold land is not depreciated as the lease is expected to be renewed upon expiry of the lease period.

An asset’s carrying amount is written down immediately to its recoverable amount if the asset’s carrying amount is greater than its estimated recoverable amount.

The residual values and useful lives of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

1.3. Intangible Assets

Intangible assets comprises of computer software. Costs associated with maintaining software programmes are recognised as an expense in the period in which they are incurred. Cost of purchased software is recorded as intangible assets and is amortised from the point at which they are put to use. The amortisation is made on a straight line basis over an estimated useful life of 5 years.

1.4. Inventories

Inventories of Store & Spares and Finished Goods are stated at cost or net realisable value whichever is lower. Cost of Finished Goods comprises of cost of direct material, direct labour and appropriate portions of variable and fixed overhead expenditure. Cost of inventories also includes other costs incurred in bringing the

same to their present location and condition. Cost of items of Stores & Spares is determined under weighted average method. Net realisable value is the estimated selling price in the ordinary course of business as reduced by estimated cost to sell. Inventory of work-in-process is valued at cost or realisable price whichever is lower.

1.5. Cash and Cash Equivalents

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents include cash on hand; balance with banks in current accounts; any remittance in transit; term deposits with original maturity of less than 3 months and bank overdrafts. Bank overdrafts are shown within borrowings under current liabilities in the Balance Sheet.

1.6. Financial Assets

Initial Recognition and Measurement

Financial assets are recognised when the Company becomes a party to the contractual provisions of a financial instrument. On initial recognition, a financial asset is recognised at fair value along with related transaction costs where such financial assets are not measured at Fair Value Through Profit or Loss (FVTPL). However, where a financial asset is measured at FVTPL on initial recognition, related transaction costs are recognised in the Statement of Profit and Loss.

Subsequent Measurement

For subsequent measurement the Company classifies its financial assets into the following categories, based on facts and circumstances:-

- a. Amortised Cost
- b. Fair Value Through Other Comprehensive Income (FVTOCI)
- c. Fair Value Through Profit or Loss (FVTPL)

Reclassification

Financial assets are not reclassified subsequent to their recognition unless the Company changes its business model for managing financial assets in the reporting period.

Impairment

The Company measures the expected credit loss associated with its financial assets based

on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Loss on impairment is recognised in the year in which the impairment becomes certain beyond reasonable doubt.

De-recognition

Financial assets are derecognised when the contractual rights to the cash flows from the financial assets expire, or it transfers the contractual rights to receive cash flows from the asset, or the Company has not retained control over the financial asset. Therefore, if the asset is one which is measured at:-

- a. amortised cost, the gain or loss is recognised in the Statement of Profit and Loss;
- b. fair value through other comprehensive income, the cumulative fair value adjustments previously taken to reserves are classified to the Statement of Profit and Loss unless the asset represents an equity investment in which case the cumulative fair value adjustments previously taken to reserves is reclassified within equity.

Income Recognition

Interest income is recognised in the Statement of Profit and Loss using the effective interest rate method. Dividend income is recognised in the Statement of Profit and Loss when the right to receive dividend is established.

Trade Receivables and Loans

Trade receivables and loans are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using the effective interest rate method net of any expected credit losses. The effective interest rate is the rate that discounts estimated future cash income through the expected life of a financial instrument.

Debt Instruments

Debt instruments are initially measured at amortised cost, fair value through other comprehensive income (FVTOCI) or fair value through profit or loss (FVTPL) till de-recognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the

contractual cash flow characteristics of the financial asset.

- (a) *Measured at Amortised Cost* – Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payment of principal and interest, are subsequently measured at amortised cost using the effective interest rate method less impairment, if any. The amortisation of effective interest rate and loss arising from impairment, if any are recognised in the Statement of Profit and Loss.
- (b) *Measured at Fair Value Through Other Comprehensive Income (FVTOCI)* – Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payment of principal and interest, are subsequently measured at FVTOCI. Fair value movements are recognised in the Other Comprehensive Income (OCI).
- (c) *Measured at Fair Value Through Profit or Loss (FVTPL)* – A financial asset not classified as either amortised cost or FVTOCI is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income, if any, recognised as ‘other income’ in the Statement of Profit or Loss.

1.7. Financial Liabilities

Borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost. Any discount or premium on redemption/settlement is recognised in the Statement of Profit and Loss as finance cost over the life of the financial liability using effective interest method and adjusted to the liability figure disclosed in the Balance Sheet. Financial liabilities are derecognised when the liability is extinguished i.e. when the contractual obligation is discharged, cancelled and on expiry.

1.8. Offsetting Financial Instruments

Financial assets and liabilities are offset and

the net amount is included in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

1.9. Impairment of Non-financial Assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. Impairment loss, if any, is provided to the extent, the carrying amount of the asset or cash generating unit exceed their recoverable amount.

Recoverable amount is the higher of an asset's net selling price and the present value of estimated future cash flows expected to arise from the continuing use of an asset or cash generating unit and from its disposal at the end of its useful life.

Impairment losses recognised in prior years are reversed when there is an indication that the impairment losses recognised no longer exists or have decreased. Such reversals are recognised as an increase in the carrying amount of the assets to the extent it does not exceed the carrying amount that would have been determined (net of depreciation or amortization) had no impairment loss been recognised in previous years.

1.10. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

If the effect of time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to passage of time is recognised as finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, or when a present obligation arises from past events where it is either not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are not recognised but disclosed when an inflow of economic benefits is probable.

1.11. Claims not acknowledged as Debts

Claims against the Company not acknowledged as debts are disclosed after a careful evaluation of the facts and legal aspects of the matter involved.

1.12. Dividends

Interim dividend is recognised in the period in which it is approved by the Board of Directors and final dividend in the period in which it is approved by the Shareholders.

1.13. Income Taxes

Income tax expense for the year comprises of current tax and deferred tax. Current tax is the expected tax payable on the taxable income for the year using the applicable tax rates and any adjustment to taxes in respect of previous years. Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes.

A deferred tax liability is recognised based on the expected manner of realisation or settlement of the carrying amount of assets or liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period. Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right

to set off the recognised amounts and there is an intention to settle the assets and liabilities on a net basis. Deferred tax assets and liabilities are set off when there is a legally enforceable right to set off current tax assets against current tax liabilities; and deferred tax assets and the deferred tax liabilities relate to taxes levied by the same taxation authority.

1.14. Employee Benefits

Short Term Employee Benefits

These are recognised at the undiscounted amount as expense for the year in which the related service is rendered.

Post-Employment Benefit Plans

The Company makes defined contributions to a Provident Fund scheme, which is recognised as expenses.

The estimated cost of providing defined benefits under the Payment of Gratuity Act, 1972 is calculated by independent actuary using the projected unit credit method. Service costs and interest expense are reflected in the Statement of Profit and Loss. Actuarial gains or losses are recognised in full under Other Comprehensive Income.

1.15. Revenue Recognition

Revenue from sale of goods is recognised when

- all the significant risks and rewards of ownership in the goods are transferred to the buyer,
- there is no continuing managerial involvement with the goods,
- the amount of revenue can be measured reliably and
- it is probable that future economic benefits will flow to the Company.

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of goods and service tax and sales returns.

Revenue from financial assets has been dealt with in Note 1.6.

1.16. Foreign Currencies

The financial statements are presented in Indian Rupees (INR), the functional currency of the

Company (i.e. the currency of the primary economic environment in which the entity operates).

Foreign currency transactions are translated into the functional currency using exchange rates at the date of the transaction. Foreign exchange gains and losses from settlement of these transactions and from translation of monetary assets and liabilities at the reporting date exchange rates are recognised in the Statement of Profit and Loss.

Foreign currency non-monetary items carried in terms of historical cost are reported using the exchange rate at the date of the transactions.

1.17. Borrowing Costs

Interest and other borrowing costs attributable to qualifying assets are capitalised. Other interest and borrowing costs are charged to the Statement of Profit and Loss.

1.18. Earnings per Share

Basic earnings per share is computed by dividing:-

- the profit / loss attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year.

Diluted earnings per share adjusts the figures used in determination of basic earnings per share to take into account:-

- the after-income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

1.19. Rounding Off

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs or decimals thereof as per the requirement of Division II of Schedule III to the Companies Act, 2013, unless otherwise stated.

1.20. Standards Issued but not yet effected

The Ministry of Corporate Affairs has notified Ind AS 116, "Lease" vide Companies (Indian

Accounting Standards) Amendment Rules, 2019 Dated 30th March, 2019. The new standard shall be effective from 1st April, 2019. The Company is not expecting any material impact of the new standard on the standalone financial statements

Note 2 – Critical Estimates and Judgements

The areas involving critical estimates and judgements are:-

- **Taxation**
The Company is subject to tax liability under Minimum Alternate Tax (MAT) provisions of the Income Tax Act, 1961. Significant judgement is involved in determining the tax liability for the Company. Further, there are many transactions and calculations during the ordinary course of business for which the ultimate tax determination is uncertain. Further judgement is involved in determining the deferred tax position on the balance sheet.
- **Depreciation and amortisation**
Depreciation and amortisation is based on management estimates of the future useful lives of the property, plant and equipment and intangible assets. Estimates may change due to technological developments, competition, changes in market conditions and other factors and may result in changes in the estimated useful life and in the depreciation and amortisation charges.
- **Actuarial Valuation for Employee Benefits**
The determination of Company's liability towards defined benefit obligation to employees is made through independent actuarial valuation including determination of amounts to be recognised in the Statement of Profit and Loss and in Other Comprehensive Income. Such valuation depends upon assumptions determined after taking into account inflation, seniority, promotion and other relevant factors. Information about such valuation is provided in notes to the financial statements.
- **Provisions and Contingencies**
Provisions and contingencies are based on the Management's best estimate of the liabilities based on the facts known at the balance sheet date.

- Decrease by 1%	64.03	56.25
Mortality Rate		
- Increase by 10%	63.97	55.97

Significant actuarial assumptions for the determination of the defined benefit obligation involve discount rate, expected salary increase and mortality. The sensitivity analysis has been performed by considering reasonably possible change in each assumption in turn while holding the others constant. The sensitivity analysis presented above may not be representative of the actual change in defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. There is no change in the method of valuation for the prior period. For change in assumption refer Table – 6, Principal Actuarial Assumptions.

Table 8 - Maturity Profile of Defined Benefit Obligation

36.9. Financial Risk Management

The Company's principal financial liabilities comprise of borrowings, trade payables and other financial liabilities. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, trade receivables and cash & bank balances. The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company focuses on a system based approach to business risk management. Its financial risk management process seeks to enable the early identification, evaluation and effective management of key risks facing the business.

a. Market Risk

i. Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign currency exchange rates. The only source of foreign currency risk is import of raw materials. Increase/decrease of 50 basis points in the foreign currency exchange rates at the end of the year (keeping all other variables constant) would expose the company to an impact of Rs.12.46 lakhs on the profit for the year ended 31st March, 2019 (previous year Rs. Nil).

ii. Interest Rate Risk

Interest rate risk is the risk that the fair value of future cash flows from a financial instrument will fluctuate because of changes in market interest rates. The Company's main interest rate risk arises from short term and long term borrowings with variable interest rate. The exposure

of the Company's financial assets and liabilities as at 31st March 2019 and 31st March 2018 to interest rate risk are as follows:-

Increase / decrease of 50 basis points in interest rates (keeping all other variables constant) as at the balance sheet date would result in an impact (decrease / increase in case of net income) of Rs. 4.64 lakhs and Rs. 4.09 lakhs on profit before tax for the year ended 31st March, 2019 and 31st March, 2018 respectively.

a. Credit Risk

Credit risk is the risk of financial loss arising from default / failure by the counterparty to meet financial obligations as per the terms of contract. The Company is exposed to credit risk for trade receivables and loans. None of the financial instruments of the Company result in material concentration of credit risks. Credit risk on receivables is minimum since sales are made after judging the credit worthiness of the customers or receiving advance payment. The history of defaults has been minimal and outstanding trade receivables are monitored on a regular basis. For credit risk on the loans to various parties the Company does not expect any material risk on account of non-performance by any of the parties.

b. Liquidity Risk

Liquidity risk refers to the risk that the Company fails to honour its financial obligations in accordance with terms of contract. To mitigate such liquidity risk the Company maintains sufficient balance of cash and cash equivalents together with availability of funds through an adequate amount of committed credit facilities to meet its obligations when due. The table below provides the details regarding the remaining contractual maturities of significant financial liabilities as on the reporting date:-

36.10. Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital, general reserves. The primary objective of the Company is to maximise shareholders' value.

The Company manages its capital structure and makes adjustments in light of the changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares.

In order to achieve the overall objective as elicited above, the Company's capital management among other things, aims to ensure that it meets the financial covenants attached to interest bearing loans and borrowings that define the capital structure requirements. There were no breaches in the financial covenants of any interest bearing loans and borrowings in the reported periods.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31st March, 2019 and 31st March, 2018.
